

SELVA LAKSHMI K

Versatile and results-driven Frontend Developer & UI/UX Designer with a strong foundation in React, HTML, CSS, and JavaScript, combined with expertise in user-centered design principles. Skilled in developing responsive, high-performance web applications with a focus on clean code, scalability, and modern aesthetics. Proficient in tools like Figma for crafting intuitive wireframes and prototypes, and experienced in conducting user research to inform design decisions. Adept at bridging the gap between design and development, collaborating seamlessly with cross-functional teams to deliver engaging, accessible, and impactful digital experiences.
